

BSC Level 1 Health and Safety in a Construction Environment

This one day refresher course is ideal for anyone wishing to re-new their Construction Skills Certificate Scheme (CSCS) Labourer Card (Green Card).

The qualification will provide you with everything you need to know about maintaining and improving health and safety at work. It delivers essential knowledge about key terms, legal responsibilities and reasons for good health and safety on a construction site.

You will also learn about personal protective equipment, emergencies, accident reporting, and dealing with ill-health within the construction environment.

At the end of the day you will sit an on-line exam and on successful completion you will receive a certificate. Please allow 7-10 working days to receive your certificate.

Entry Requirements

This course is aimed at adults aged 19 and over (as at 1st August of the current academic year).

What's Next

Your tutor will be able to suggest further training opportunities.
