67/17	HE Annual Quality Assessment Return and HE Update – confidential	
	JK and KJ explained that, in line with the QA revised operating model for higher education in England, as part of the Annual Provider Review, each Further Education College directly or indirectly funded by HEFCE needs to complete an Annual Quality Assessment return. This is an endorsement of internal arrangements for the 2016-17 academic year and must be submitted by the Provider's Governing Body by 1 December 2017. At the October Board meeting it had been agreed that, in view of the deadline for submissions being before the next Board meeting and subject to being satisfied with the return, C&Q would be given authority to endorse the signing of the return on behalf of the Board. The Committee noted the evidence submitted to support the return
