

For **new** or **existing** staff

Trowel Occupations Level 2

Delivered by Gloucestershire College

This apprenticeship Framework is awarded by Cskills Awards, and is great for people who enjoy working outdoors as part of a team. Apprentices will build new houses using a variety of materials including brick and block, as well as build house extensions, repair buildings and construct decorative walls. Apprentices may have the opportunity to work one to one, or on larger jobs they may also collaborate with other trades. This apprenticeship trains skilled workers with a good overall knowledge of construction.

Delivery model and duration:

1 day per week in College, with workplace experience and guidance in between.

Duration: 24 months

Ideal for:

- Construction workers
- General labourers

The apprenticeship will cover the following core areas:

- Health and safety
- Building and construction methods
- Types of masonry structures
- Communication
- Building technology

Benefits to business

- Train qualified staff on the latest industry techniques
- Improve staff loyalty and retention
- Boost morale across your workforce

Qualification:

Level 2 NVQ Diploma in Trowel Occupations

Level 2 Diploma in Bricklaying

» **Completers may want to progress to**
Construction Supervisor or Site Manager

Entry Criteria:

- GCSE English and maths at grade D or above (9 – 3)

Benefits for learners

- Training from experts with years of industry experience
- Earn whilst you learn
- Good opportunities to progress in your career
