

Adult Care Worker (Lead) Apprenticeship Standard

As a Lead Adult Care Worker you will make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges. You will be expected to exercise judgement and take appropriate action to support individuals to maintain their independence, dignity and control. By providing leadership, guidance and direction at the frontline of care delivery you will be instrumental in improving the health and wellbeing of those receiving care and support. Lead Adult Care Workers may have delegated responsibility for the standard of care provided and supervise the work of other care workers. This exercising of autonomy and accountability means leading and supporting others to comply with expected standards and behaviours.
