

Beauty Therapy with Massage

Ideal if: You love beauty therapy and want to learn more about holistic natural therapies and current industry trends.

You'll learn: massage using pre blend aromatherapy oils, hot stone therapy, single eyelash extension treatments and more

Expect: To practise on clients replicating industry standards

You'll love: Master classes delivered by industry experts

The Level 3 Beauty Therapy with Massage is an ideal programme to undertake if you wish to pursue a career as a beauty therapist with the opportunity to specialise in some of the holistic therapies such as:

- Provide single eyelash extension treatments
- Provide body massage
- Carry out massage using pre blend aromatherapy oils
- Provide hot stone therapy
- Contribute to the planning and implementation of promotional activities
- Monitor procedures to safely control work operations

This course focuses on the skills that you need to deliver beneficial therapies to future clients.

There are both practical and theory elements of the course, this includes the opportunity to work in our own salon where you will practice your skills on your peers and clients.

Graduations at all of our Gloucestershire College campuses, offers learners the chance to train in facilities which are industry standard and will enable you to develop your skills in client consultation, customer service and current treatment techniques. This will support your confidence to give pre and after treatment/service advice using a variety of professional ranges.

Throughout your training programme you will be required to carry out treatments on your peers to develop your skills and take paying clients to gain the widest possible range of experiences and employability skills.

How will I be assessed?

- final exam covering all mandatory units, marked externally
- synoptic assessment during the final term, containing a practical based task or skill
- formative assessments which are undertaken on paying clients
- a Portfolio of Evidence/Service Log to demonstrate progress
- written assignments, tests and projects

As in a professional salon, students will be expected to give our clients the highest possible customer care
