

Catering and Hospitality Services

This qualification can help you get your first job in the hospitality sector. You'll learn about many aspects of the industry and gain valuable practical and teamwork skills. The qualification covers a variety of topics including cookery, food service and the industry as a whole.

This qualification is for anyone who is interested in a career in the hospitality sector. It provides great skills in readiness for employment or to progress to a level 3 qualification.

You will study:

- The hospitality industry
- Food preparation and cooking skills
- Food and drink service skills
- Customer service
- English and maths
- Employability skills

This full time course lasts for 1 year and involves a combination of theory and practical classes, you will be assessed by submitting assignment work or by undertaking practical assessments.

You will gain industry experience by working and developing your skills within our commercially operated restaurant.
