

Scriptwriting

On this course you will learn all the key elements that go into writing a script – whether it be for television, feature film, theatre or radio.

Each session will cover different topics, techniques and helpful tips, and there will be time for you to write your own script and see your story come to life on the page.

Later in the term, you will also have the opportunity to see your vision realised, as parts of your script will be performed for you and the rest of the group.

Feedback will be readily available from your tutor during the session, and you'll be a part of a community of budding scriptwriters who can support you.

Entry Requirements

Our recreational courses are for those aged 19 (as at 31st Aug 2020) and over.

What's Next

Your tutor will be able to advise on further training opportunities.
