Barbering - The professional craft of cutting, styling, grooming and shaving men's hair

If you are passionate about hair and want to take the first steps to becoming a professional Barber, then this full time course is for you.

Not only will you learn a range of essential Barbering skills you will also study the theory and origins of barbering which will equip you to enter employment or develop your training further.

Your studies will include:

- Cutting techniques
- Styling men's hair
- Trimming Facial hair
- Client consultation
- Promoting products and services

These skills form a vital platform for anyone wishing to join the Barbering. This is a vocational qualification which focuses on commercial timings and standards, where all practical assessments are carried out in our own commercial salons

How will I be assessed?

The qualification is based on continuous training and assessment of practical skills, with supportive evidence in the form of assignment writing and end of module tests. Competence skills is assessed on clients in our own salon.

All students are expected to purchase a uniform and full kit, two weeks before the course starts.

kit supplier information will be also be provided at enrolment.

For information on uniform [Click Here](#)
