

Introduction to British Sign Language

A ten-hour course consisting of basic and everyday sign language for greetings, family, clothes, colours, food and finger spelling. Brief information about the structure of the British Sign Language (BSL) level 1 course will be given by the tutor.

An individual signing assessment at the end of the course determines suitability for level 1.

This is a pre-requisite for the level 1 BSL course at Gloucestershire College.

Entry Requirements

Students need good literacy skills, good memory, confidence to use facial expressions and dexterity with hands.

What's Next

A student who is successful with the signing assessment can enrol for the British Sign Language Level 1 course.
