

Spanish Beginners Intensive

This course is suitable for students who have either never studied Spanish before and would like to study at a slightly faster pace or who studied the language some years ago and would like to go back to the basics on a more intensive course.

Over the course of the three terms students will:

Study the vocabulary of everyday topics which will enable them to get by when travelling to the country and to communicate on a simple level with local people.

Be introduced to simple but authentic and real reading texts

Become familiar with the basic rules of grammar, enabling them to create simple sentences independently and to produce simple pieces of writing such as postcards & informal emails

Through the study of the language, become familiar with many aspects of life and culture

By the end of the course students will have studied a selection of the following topics:

Greetings, goodbyes and other social expressions

Family and personal details

Numbers, dates, time, colours

Where I live / my home

Work and daily routine

Free time and hobbies / likes and dislikes

Out and about (in the cafe/restaurant, directions, shopping, booking a room in a hotel)

Students will become familiar with grammatical structures such as :

Gender (masculine, feminine)

The present tense of regular and some irregular verbs.

Question and negative forms

Agreement of Adjectives

Entry Requirements

This course is suitable for students who have either never studied Spanish before and would like to study at a slightly faster pace or who studied the language some years ago and would like to go back to the basics on a more intensive course.

We recommend that students start in September and continue through to June. It may be possible to join at

the beginning of the second term but this must be with the permission of the tutor and with the reassurance that the student has sufficient prior knowledge. It is not possible to join in the third term.
