

Teaching Assistant Apprenticeship Standard

This apprenticeship standard is suitable for teaching assistants working in Primary, Secondary and Special education across all age ranges encompassing special educational needs and emotional vulnerabilities. The primary role of the teaching assistant is to support the class teacher to enhance pupils' learning either in groups or individually, ensuring pupils understand the work set, know their learning objectives and stay on task in order to make progress. Teaching assistants play an active role in supporting the learner to access the curriculum.

Delivery model and duration: Training is delivered in the workplace
Duration: 18 months including end point Assessment based on 52 week year or pro rata for term time only working. Length of programme extended for those working less than 30 hrs a week.

Ideal for: • Teaching Assistants • Learning Support Assistants • Specialist Support Assistants

The apprenticeship will cover the following core areas: • Working with teachers to accurately assess • Using technology • Developing strategies for support • Working with teachers to understand and support assessment for learning • Keeping children safe in education • Promoting equality, diversity and inclusion

Benefits for learners: • Receive training from experts with years of industry experience • Become occupationally competent • A strong foundation for a career in the educational sector

Entry Requirements

GCSE grades A-C or 9-4 in English and maths
