

For **new** or **existing** staff

Dental Nursing Apprenticeship Level 3

Delivered by Gloucestershire College

This apprenticeship standard is an excellent route to train as a dental nurse and to achieve the qualified standard required by the General Dental Council (GDC). Dental nurses provide support to dentists, dental therapists, hygienists and technicians. This apprenticeship offers the opportunity to learn in a structured learning environment whilst simultaneously learning in the workplace. Learners will gain valuable hands on experience, making a significant contribution to a dental practice.

Delivery model and duration:

Group College delivery will take place once a month with both face to face or remote delivery an option. Assessment will take place in the workplace (the number of visits will vary depending on each individual)

Duration: 21 months to include 3 months for End Point Assessment

Ideal for:

- Individuals pursuing a career in Dental Nursing
- Those who wish to obtain professional registration with the GDC
- Individuals working in other areas of dentistry such as orthodontics, cosmetic surgery and specialised services

Benefits to business:

- Your apprentice will have more time in the workplace due to a structured learning timetable
- Apprentices benefit from peer support learning in College delivery
- Suitable for new and existing staff members
- At GC, we offer a free apprentice recruitment should you decide to recruit an apprentice
- Train individuals in the specific skills they need to prosper and become an asset to your business

Qualification:

City & Guilds Level 3 Extended Diploma in Dental Nursing

» Completers may want to progress to

Other dental team roles, such as dental therapy and hygiene or related health roles such as nursing and radiology, oral health promotion and training/educator roles.

Entry Criteria:

- GCSEs in English and maths grade 9 - 4 or A* - C

Benefits for learners:

- A structured learning environment with high quality teaching and in-class support on campus
- Access to Gloucestershire College's resources and learning support
- Networking opportunities in-class learning collaboratively with peers
- GC prepares learners for the end point assessment with a number of mock talks, to instil confidence in students and assist them in achieving Distinction rather than a standard pass

Why work with Gloucestershire College

We will work in partnership with you to help you achieve your business objectives by providing exceptional apprenticeship programmes, a comprehensive range of staff training and skills development courses and access to an unrivalled resource of motivated and work ready employees.
