

Safeguarding

Gloucestershire College is committed to safeguarding all of our learners and staff from harm and expects all learners, staff and visitors to share this commitment.

We ask that all learners, staff and visitors support our safeguarding culture by:

- 1 Wear your College ID or visitor pass at all times
- 2 Being respectful and professional towards others
- 3 Report any concerns about safety or welfare of yourself or others

You must report any concerns to a member of College staff or by emailing safeguarding@gloscol.ac.uk

Our Safeguarding Team can be found in the Student Hubs, wearing pink lanyards
